

EARN WHILE YOU LEARN!

BAE Systems in partnership with Directions are looking to place highly motivated and committed candidates into a Certificate IV Aeroskills (Avionics) Apprenticeship.

This will be a highly sought after apprenticeship and successful candidates must possess the following minimum requirements.

Essential:

- Must be an Australian Citizen;
- Certificate II in Aeroskills (Pre-apprenticeship) OR significant experience in Aviation/ Defence industry;
- Minimum Year 12 completion with passes in Maths, English and Science;
- Can demonstrate a keen interest in the Aviation industry;
- Committed to a program of on the job learning and formal training;
- Good written and verbal skills with clear and legible handwriting;
- Current National Police Clearance; OR must have obtained one prior to Offer of Employment being made;
- Current Driver's licence.

The positions will be based at the WA RAAF Pearce Defence Base with a likely commencement date of January/February 2018.

Candidates must be available through-out the recruitment process which will include:

- Aptitude testing;
- Initial interview, then a panel interview;
- Pre-employment medical; drug and alcohol testing;
- Must be able to travel to NSW for safety training on commencement of apprenticeship.

Directions is an Equal Opportunity Employer and encourages Indigenous Australians and female candidates to apply. If you find this opportunity appealing, APPLY NOW!

APPLICATIONS COMPLETED IN FULL WILL ONLY BE ACCEPTED THROUGH THE DIRECTIONS

WEBSITE at : <https://directions.bigredsky.com/page.php?pageID=230&AdvertID=364709>

Applications close 10pm Sun. 29th October 2017

Directions is a not-for-profit community organisation committed to supporting local people and local businesses.

Austral are currently seeking EXPRESSIONS OF INTEREST for apprentices, for both new apprentices and those looking to recommence their trade in:

- **Aluminium and Steel Fabrication** – Marking off, cutting, shaping, assembling and joining metal components for the construction of vessels to the defence and commercial markets
- **Mechanical Fitting (Marine)** - installation of main equipment, fabrication of pipe work through to testing and commissioning
- **Electrical** – Installing, commissioning, altering, repairing and maintaining electrical systems designed to provide heat, light, power and control
- **Cabinet Making (Marine Fitout)** – Fitting out the interiors of all types of vessels working with aluminium honeycomb light-weight panels

Austral is The Australian Shipbuilder, global defence prime contractor and maritime technology partner of choice; designing, constructing and supporting revolutionary defence and commercial vessels for the worlds' leading operators.

To be considered suitable for this role you must have:

- A passion and motivation for your selected trade
- Aspirations to deliver excellence in everything you do and a desire for ongoing learning
- Year 10 or higher in English, Maths, Metalwork and/or woodwork
- Previous work experience and interested in the selected area
- Pre-apprenticeship in the selected trade (desirable)
- Own reliable transport (desirable)
- Full and current Australian working rights

Online applications can be made

at: <https://austal.bigredsky.com/page.php?pageID=160&windowUID=0&AdvertID=352672&source=23322>

Please ensure you address your preference of trade in your expression of interest.

All applicants will be updated on the status of their expression of interest as soon as possible via email and as vacancies are available.

- **Various Perth metro locations**
- **Earn while you learn! Paid on and off the job training**
- **Challenging and rewarding role**

Are you looking for a rewarding career in the aged care, disability or home and community care industry but don't have a qualification?

Would you like the opportunity to be employed while working towards your Nationally Recognised Certificate III?

Are you empathetic, compassionate and dedicated?

Applicants are NOT eligible if a certificate within the health and community services sector is held.

COMPANY OVERVIEW:

Health Training Australia (HTA) is a not for profit Group Training Organisation established in 1997 as a division of the Australian Medical Association (AMA). HTA offers paid employment and training in aged care under a traineeship. HTA is partnered with a large number of organisations across the health industry to provide practical and theory based learning.

JOB ROLE:

Provide direct care and health care to individuals either in a facility, group home or in their own home to assist with their independence. In this role, you will provide assistance with personal care, domestic duties, meals and mobility and can include shopping and social outings. Develop your skills within a busy, caring environment.

Full on the job training will be provided as well as classroom training to achieve the Certificate III in Aged Care, Disability or Home and Community Care.

VACANCY LOCATIONS:

Various locations throughout the Perth metropolitan area

REQUIREMENTS:

- Australian driver's license and own reliable car
- Available to start at 7:00am & work shift work over 7 days/week
- Be an Australian Citizen/Permanent Resident
- Be able to obtain a clear National Police Clearance
- NOT hold a Certificate III or above within the health and community services sector
- Effective communication skills - English Proficiency
- Caring, compassionate and dedicated

BENEFITS:

- Paid on and off the job training
- Gain industry experience while you work toward a Certificate III
- A job role with variety / job satisfaction
- Potential for ongoing employment as a community care worker, support worker or carer role (post traineeship).

If you are interested in gaining employment and a Nationally recognised Certificate III, please apply online at: http://amaats.turborecruit.com.au/job/job_details.cfm?id=402543&from=indeed&utm_source=jobseeker_emails&utm_medium=email&utm_campaign=job_alerts

You will be asked the following questions when you apply:

- Are you eligible to work and study in Australia?
- What is the postcode of the suburb or town you live in?
- What days are you available to work?
- Do you have a current car driver's license?
- Do you own or have regular access to a car?
- Why are you interested in a career as a Support Worker in the Health Care Industry? Please indicate your preference (Aged, Disability or Home Care)
